*"More than the archery and the rock wall and the swimming, it's the **independence** and **self-sufficiency** you learn when you have to be in a cabin with 12 other [campers]. It's **kindness**. It's **cooperation**. It's **teamwork**."*

Summer 2017

## What We Do

At a time when human connection happens less and less, we create safe spaces for youth to gain confidence and social skills with peers and positive role models. Campers will make memories that will last a lifetime at any of our overnight summer camps:

- Traditional Girls Resident Camp (grades 3-10)
- Traditional Boys Resident Camp (grades 3-8)
- Girls Basketball Camp (grades 5-10)
- Boys Basketball Camp (grades 4-9)
- Women's Weekend (ages 21+)
- Father/Son Weekend (all ages)

## Our Story

In our programming, we have one goal in mind: to instill confidence in our campers. We have worked to develop an environment in which every camper can learn to feel comfortable in their abilities and the abilities of their peers.

## Who We Are

United Neighborhood Centers of Northeastern Pennsylvania (UNC) is a nonprofit organization that has been serving our community for more than 90 years. The agency's mission is to work together with neighbors to provide services and create opportunities that empower individuals and build strong, interdependent communities.

Although UNC is the new owner of the Camp Kelly property (formerly Camp St. Andrew), the agency has operated its Project Hope day camp at the site for more than 40 years and hosted last year's traditional and basketball resident camps as well. With this close relationship, and the return of many former Camp St. Andrew directors and other staff, you can be sure that the core camp traditions that are important to so many former campers will continue.

Going forward, UNC will work closely with the community to continuously improve Camp and preserve it for generations to come. Contact us any time in order to volunteer, make a donation, offer suggestions, or ask questions.

## Special Activities

The most important part of Camp is friendship, but we offer plenty of fun activities to engage campers all day long, including:

- Ropes course
- Canoeing/kayaking
- Rock wall/zip line
- Archery
- Campfire
- Skit night
- Scary stories (optional)
- Themed meals (mismatch dinner, hat lunch)

Our basketball camps are run by talented coaches with years of experience who excel as mentors to young people on and off the courts.
