

What to bring to Camp Kelly...

In Northeastern PA, July weather can be somewhat unpredictable. Typically, we have hot days and cold nights, with some hours of rain each week. Campers should pack the following items as minimum needs:

- 1 pillow in a pillowcase
- 2 heavy blankets
- Sheets for a twin-sized bed
- 2 large towels
- Hiking boots
- 2 pairs of sneakers
- “Shower shoes” or flip flops
- Laundry bag
- 2 warm sweatshirts or hoodies
- Raincoat or poncho
- 8 pairs of socks
- 8 pairs of underwear
- 2 long-sleeved shirts
- 6 t-shirts or tank tops
- Bathing suit
- Jeans or other long pants for hiking
- Sweatpants
- 5 pairs of shorts
- Toothbrush/toothpaste
- Shampoo, conditioner, soap
- Flashlight
- Sunglasses
- Refillable water bottle

We strongly suggest you leave your cell phones, iPods, laptops, and other electronics at home. Camp does not have locking doors, and there is nowhere safe for you to keep these items. Whatever you choose to bring to camp, you bring at your own risk.
