**United Neighborhood Centers of Northeastern Pennsylvania (UNC) is a non-profit organization dedicated to assessing and meeting the needs of low-income families, youth, senior citizens, and new immigrants in Northeastern Pennsylvania. For the past 100 years, the agency has embraced its mission to work together with neighbors to provide services and create opportunities which empower individuals and build strong interdependent communities. The agency accomplishes this mission through five programmatic departments (Community Services, Children and Teens, Community Education, Community Revitalization, and Community Health and Aging) and a Housing/Community Development Corporation. Through this diverse programming, UNC uses an innovative wrap-around approach to address the emerging needs of the community it serves.**
