**THE COMMUNITY WANTS YOUR SUPPORT**

The Scranton/Lackawanna Continuum of Care is responsible for submitting a community-based application to HUD for funding to serve homeless individuals and families every year. It is essential for us as homeless service providers to receive input from a wide variety of agencies, community members and program participants and to share our programs and practices with the larger community.

The meeting agenda will include the 2019 point in time report, which counts each person experiencing homelessness on a single night in January as well as other current initiatives with time for questions/discussion. Your input and attendance as well as your continued collaboration is of great value to our efforts to end homelessness in Scranton and Lackawanna County.

Please contact Justin Marino, United Neighborhood Centers at 570-346-0759 ext. 108 or via email at [jmarino@uncnepa.org](mailto:jmarino@uncnepa.org) with any questions/concerns. We look forward to your involvement and support in endeavors to house individuals and families experiencing homelessness in Scranton/Lackawanna County.
