My daughter had the most amazing time. She came back more confident and more responsible for herself.

What We Do
At a time when human connection happens less and less, we create safe spaces for youth to gain confidence and social skills with peers and positive role models. Campers will make memories that will last a lifetime at any of our overnight summer camps.

Who We Are
United Neighborhood Centers of Northeastern Pennsylvania (UNC) is a nonprofit organization that has been serving our community since 1923. The agency’s mission is to work together with neighbors to provide services and create opportunities that empower individuals and build strong, interdependent communities.

Our Story
At Camp Kelly, we have one goal in mind: to instill confidence in our campers. We have worked to develop an environment in which every camper can learn to feel comfortable in their abilities and the abilities of their peers.
